### Scholarship Committee

The calendars are in and are on sale for \$5 a piece. We really do need to sell all of these if we hope to give some reasonable scholarships this year. I would hope that each member could buy at least one and maybe even try to sell some to their friends and family. It is a very small donation and would do so much good for the students and for the post.

If you or someone you know would like to donate or purchase a calendar, contact Russ Horsman @ 401-569-6269 or [chaplain@post311.org](mailto:chaplain@post311.org)

### Post 311 Trying to Save Money

Since you are reading this, you have noticed that recently, the post newsletter has been coming out regularly. What you may not know is that because of the regularity and the effort put forth for this publication, the cost to the post has risen considerably.

The February issue will be the last one that will be automatically sent out. To continue receiving a newsletter you have two choices.

If you have an e-mail address, you could save the post the cost of printing your newsletter and mailing it. Please, send your e-mail address to [publicrelations@post311.org](mailto:publicrelations@post311.org) so that it can be e-mailed directly to you.

If you do not have access to e-mail, please cut out the coupon at the end of the newsletter, fill it out and send it back to the post. This way we will ensure that you continue to receive your printed newsletter.

If you do neither, we will assume that you do not want to receive your newsletter, and you will be removed from the list.

Thank you.
